Dear Rising 8th grade & 9th grade Students, Parents & Guardians:

The East Granby Youth Services Commission is excited to share information about a leadership opportunity for your child as they move to the High School. The High School Youth Action Council (YAC) is an opportunity for rising 8th and 9th graders to develop their leadership skills and be involved in the East Granby community through team building, training, community service and educational and social projects. The group is open to all those East Granby Residents in grades 9 & 10 for the 2021-22 academic year.

The program is geared toward youth who are learning to be leaders. Some of the programs they have been involved in are the Community Dinners, Red Cross Blood Drive, the Recycle a Gift Program, craft programs and letters to seniors, and they are currently working on creating an anti-vaping program.

If this sounds like an opportunity you or your student would enjoy, students please fill out an application by the Friday, May 21, 2021 deadline. Applications are available on the EG Parks and Recreation website under the Youth Services tab. There will also be an information session via Zoom on Thursday, May 13th at 6:00pm. The login information is below, and the call is open to both students and parents. The goal is to give you additional information about the program and for current YAC students to share their experience with you.
