

HOME ALONE SAFETY FOR KIDS

Home Alone Safety for Kids is a unique class for boys and girls ages 8 to 13 years old who are left home alone. This interactive two-hour course will cover safety concerns parents have when their children are by themselves. Students will learn to be more aware of the potential dangers that they could face when they are alone.

Each student will receive a workbook that covers house key safety, indoor and outdoor (including kitchen) safety, gun safety, fires, and gas leaks. We will also review first aid kit essentials and phone, door, and internet safety. The class size is limited to fifteen students to allow for optimal opportunities for participation.

Parents/guardians are asked to attend the last ten minutes of the course. They will receive a workbook with conversations starters such as creating a family fire escape plan and the importance of an emergency contact list.
